Same as Above

Customer Name \_\_\_\_\_ Phone \_\_\_\_\_

Address \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Return Shipping Method  Customer Account # \_\_\_\_\_  Prepay and Add

Recertification time is approximately three weeks from the date that the hooks are received at Delta T Systems' facility in Riviera Beach, Florida. If faster turn around times are required, please contact Delta T Systems prior to shipping hooks to make arrangements.

**NOTE: When shipping hooks for recertification, please include the mounting bolts and nuts with the shipment. They are part of the critical load path and must be pull tested along with the hook.**
